57 hrs

TERMS & CONDITIONS:

1. AGREEMENT. These Terms and Conditions, together with the Work Order Authorization or Invoice to which they are attached (this "Agreement"), constitute the entire agreement between the 305 SKY LLC company identified on the Work Order Authorization ("305 SKY LLC") and the customer identified on the Work Order Authorization ("Customer") and the exclusive statement of the work performed and the applicable terms and conditions, and supersedes any prior agreements and contemporaneous oral agreements of the parties concerning its subject matter.

2. RATES AND EXPENSES. All work performed has been charged at the customer labor rate indicated on the work authorization order or as quoted. If no rate was provided, all work has been charged at the 305 SKY LLC effective shop and travel rates. Additional labor charges may be included for overtime and/or holiday time. Customer agrees to pay all expenses incurred by 305 SKY LLC as a result of work performed on behalf of Customer. This includes all travel-related expenses for travel to and from the work location, as well as charges levied by the fixed base operator, such as hangar fees, aircraft fuel, ground power, escort, etc. Customer agrees that if parts were replaced under an exchange basis and the exchange core required replacement parts not normally required during the overhaul, or if the core was rejected, Customer shall be invoiced for and shall pay for such replacement parts or additional cost associated with the core unit being beyond economical repair.

3. LIMITED SERVICES WARRANTY. 305 SKY LLC warrants to Customers all labor pertaining to the work that has been performed by 305 SKY LLC in accordance with applicable U.S. Federal Aviation Administration ("FAA") regulations, 305 SKY LLC's standard practices and industry standard practices. Workmanship for maintenance and modification is warranted against defects for the earlier of 90 days or 100 flight hours from the date of return to service. 305 SKY LLC's paint adhesion warranty for full strip and paint jobs covers one year or 300 flight hours (whichever comes first). All interior installation work performed by 305 SKY LLC will be free from defects in workmanship, which would appear under conditions of normal usage and service for the period of one year. The warranties in this Section 3 shall not apply to (a) normal wear and damage due to composite expansion or cracking; (b) damage due to foreign objects (FOD); (c) normal leading-edge erosion; (d) damage caused by or resulting from improper maintenance or operation; or (e) damage caused by abuse, neglect, accidents, misuse, fire, flood, adverse environment or acts of God. These warranties apply only if the aircraft/equipment is returned to 305 SKY LLC facilities at Customer's expense for repair with a written description of the defect. 305 SKY LLC does not warrant parts, materials, components, equipment or services supplied or performed by other companies but will give Customer reasonable assistance in enforcing Customer's rights under any such supplier and subcontractor warranty. 305 SKY LLC's warranties do not extend to (a) Customer furnished parts, materials, equipment or components, (b) installation, in 305 SKY LLC's determination, which has been repaired, altered, misused or subjected to negligence or an accident, which adversely affects its performance. Additional warranties may apply and are available upon request. THIS WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, WHETHER WRITTEN, ORAL, EXPRESS, IMPLIED OR STATUTORY (INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE). IN NO EVENT SHALL 305 SKY LLC BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE OR CONSEQUENTIAL DAMAGES, INCLUDING WITHOUT LIMITATION, LOST REVENUE OR PROFIT AND COST OF REPLACEMENT AIRCRAFT. NO AGREEMENT EXTENDING THIS WARRANTY SHALL BE BINDING UPON 305 SKY LLC UNLESS IN WRITING AND SIGNED BY ITS DULY AUTHORIZED OFFICER OR REPRESENTATIVE. THE ABOVE WARRANTY IS THE ONLY WARRANTY GIVEN UNLESS OTHER WARRANTIES ARE ATTACHED AND MADE A PART HEREOF.

4. LIMITATION OF LIABILITY. To the fullest extent permitted by law, 305 SKY LLC's liability on any claim of any kind, including negligence for any loss (including death) or damage arising out of, connected with, or resulting from this agreement, or from the performance or breach thereof, or from the manufacture, sale, redelivery, resale, repair or use of any article or work covered by or furnished under this agreement shall in no case exceed the price allocable to the article or work which gives rise to the claim. Any such liability shall be conditioned on the customer providing prompt written notice to 305 SKY LLC of any claim and, in any event, within one year from the date of occurrence of the claim unless the parties have agreed in writing to a different claim period. In no event shall 305 SKY LLC be liable for special, incidental, indirect, punitive, or consequential damages including, without limitation, lost revenue or profit, loss of use and cost of replacement aircraft and diminution of value and inconvenience or for any damages arising from or related to acts of war or terrorism. In the event 305 SKY LLC physically damages customer's property, including the aircraft, customer's sole and exclusive remedy, and 305 SKY LLC's sole and exclusive liability, is limited to the repair or replacement (at 305 SKY LLC's option) of the damaged portion of the property.

5. TAXES AND DELIVERY. Prices are based on delivery to 305 SKY LLC's repair facility, delivered duty paid ("Delivery") and redelivery to Customer at 305 SKY LLC's facility ("Redelivery"). All Federal, State or local taxes applicable to the sale, possession, use or transportation of the parts sold, or the work performed, and all duties, imposts, tariffs or other similar levies shall be added to the prices and paid by Customer, unless Customer furnishes an appropriate certificate of exemption. Customer shall indemnify and hold 305 SKY LLC harmless from the payment or imposition of any tax or levy imposed on any parts sold, or for any work performed, plus penalties, interest or reasonable attorney's fees connected with the imposition of any such tax or levy.

6. TITLE/LIEN. Title to the work performed passes to Customer at Redelivery. In addition to 305 SKY LLC's statutory and possessory lien, which Customer hereby acknowledges, Customer grants to 305 SKY LLC a continuing, first priority security interest in and lien upon the work, the aircraft (and any part thereof) and any proceeds thereof, including but not limited to insurance proceeds or sale or disposition of the aircraft or any portion thereof and the proceeds of such

proceeds (collectively, the "Collateral") to secure prompt payment of any and all amounts owed by Customer to 305 SKY LLC.

7. PAYMENT. Full payment of this Invoice is due upon receipt unless other payment terms have been established. For projects governed by a progressive payment schedule, the following applies: A non-refundable deposit was required to guarantee a place on the schedule. A progressive payment of was required at the time of aircraft inception. For longer projects a progressive payment was due at the midpoint of the project. Upon completion of inspection items, final payment for all flat-rate items is due, along with the cost of parts needed to repair all work approved by the Customer. Final payment is due at the time of pickup. A discounted labor rate may have been applied to any additional discrepancies as an incentive for having inspection work performed with 305 SKY LLC. If Customer chooses to pay by credit card, 305 SKY LLC reserves the right to impose a service fee of up to 3.5% of the balance due. Payments are due within 30 days of the invoice date or no later than the terms specified on the invoice or on or before the due date shown on the invoice for Customers with an established credit line, or a monthly finance charge of 1.5% will be assessed for late payments. If a final invoice cannot be provided at Redelivery, Customer shall deliver payment based upon an estimated invoice and supplementary invoices reflecting the actual charges and balances will be submitted to Customer as soon as practicable and will be reconciled with the amounts previously invoiced to Customer and/or paid. Payments must be in United States Dollars and in the form of certified funds, wire transfer or ACH. If payment is arranged by some other method, potential additional charges may apply. Additionally, for Services covered by approved third party payment (i.e., warranty, insurance, and/or title closing), 305 SKY LLC will require proof that 305 SKY LLC is a named payee. 305 SKY LLC will have a lien(s) (as described in Section 6) on all Collateral or any other personal property in 305 SKY LLC's possession for all sums owed or owing to 305 SKY LLC. If any amount due and owing 305 SKY LLC is not paid by Customer within 90 days of the due date, 305 SKY LLC shall have the right to deem the Collateral or any other personal property in 305 SKY LLC's possession as abandoned and to sell the Collateral or such property as provided in any applicable statute (including, but not limited to, the Uniform Commercial Code) to satisfy the amount due and owing 305 SKY LLC. Such sale is in addition to any other rights 305 SKY LLC may have at law or under this Agreement. Any amount realized from any such sale in excess of the amount due and owing shall be credited toward Customer's account for future work at 305 SKY LLC. If a lien is not placed on the Collateral or other property, 305 SKY LLC shall retain possession of the Collateral or such other property until all amounts due and owing by Customer to 305 SKY LLC are paid to 305 SKY LLC. If the Collateral or such other property is sold, Customer shall indemnify and hold harmless 305 SKY LLC as to any claims, suits and all associated costs related to such sale.

8. DELAYS. 305 SKY LLC shall not be liable for any delays in delivery, performance or Redelivery that occurred due to causes beyond its reasonable control, including acts of God, acts of Customer, acts of government or military authority, increase in the scope of work requested by Customer, condition of the aircraft, delays in transportation or shortages, or inability due to causes beyond its reasonable control to obtain necessary labor, materials, utilities, components or manufacturing facilities. Any such delays that may have occurred do not reduce or affect the amounts owed by Customer under this Invoice.

9. GOVERNMENTAL AUTHORIZATIONS. Customers must timely obtain all required governmental authorizations, including import or export licenses and exchange permits. Customer shall remain importer/exporter of record, regardless of whether 305 SKY LLC provides Customer with assistance in this area. 305 SKY LLC shall not be liable if any authorization is delayed, denied, revoked, restricted or not renewed and Customer shall not be relieved of its obligation to pay for the work or any services rendered by 305 SKY LLC. All articles, parts or equipment delivered shall at all times be subject to the U.S. Export Administration Regulations and/or International Traffic in Arms Regulation and/or Customs Regulations and laws of the U.S.A. and any amendments. Customer agrees not to dispose of U.S. origin items provided by 305 SKY LLC other than in and to the country of ultimate destination specified in Customer's purchase order and/or approved government licenses(s) or authorizations(s), except as these laws and regulations may permit.

10. INSURANCE. Customer shall be responsible for maintaining insurance on the aircraft, including hull insurance, equal to or greater than the value of Customer's aircraft during the performance of the work or services.

11. INDEMNIFICATION. Customer shall indemnify and hold 305 SKY LLC and its officers, directors, employees and agents (the "Indemnified Parties") harmless for and against any and all claims, demands, losses, damages, liabilities, costs and expenses (including reasonable attorney's fees and litigation or dispute resolution fees) ("Losses") made or incurred by the Indemnified Parties in connection with the services provided by 305 SKY LLC pursuant to this Agreement, except to the extent such Losses result from the gross negligence or willful misconduct of any of the Indemnified Parties.

12. ACCESS TO FACILITIES AND CHANGES. Customers had access during normal business hours to unrestricted areas at 305 SKY LLC's facilities and the aircraft while the work was being performed and were required to observe 305 SKY LLC's regulations. Any changes to the work requested by Customer and documented on a 305 SKY LLC change of work authorization or otherwise instructed by Customer may have affected price and Redelivery. Customer is responsible for any change in price, including overtime required for such changes, which are reflected in this Invoice.

13. DEFAULT. Should events occur which would give rise to a claim by Customer that 305 SKY LLC has breached this Agreement or is otherwise in default, Customer shall first give 305 SKY LLC a 30-calendar day written notice of such claim. Before Customer can submit such a claim to any dispute resolution process, 305 SKY LLC shall have the 30-calendar day period to cure any claim and avoid any liability to Customer. Customer's breach or failure to pay any sum due under this Agreement or any other agreement or contract with 305 SKY LLC regardless of when the agreement or contract was entered into will, at 305 SKY LLC's sole option if the breach or nonpayment is not cured within 10 calendar days after written notice of the breach, constitute a default of this Agreement and all other agreements and contracts between Customer and 305 SKY LLC. In such an event, 305 SKY LLC may at its option withhold performance under this Agreement and any or all of the other agreements and contracts until a reasonable time after all defaults have been cured, and/or do or take any other action that the law permits.

14. ATTORNEY FEES. The prevailing party in any litigation to enforce this Agreement or any obligation concerning its subject matter shall be entitled to its reasonable costs and attorneys' fees (including costs of collection) in addition to any relief obtained.

15. APPLICABLE LAW. This Agreement shall be interpreted in accordance with the law of the State of Florida, without regard to conflicts of law principles. The Parties consent and hereby submit to the exclusive jurisdiction of the federal and state courts located in the county and state where the work is or was performed for a determination of any and all issues between them relating to this Agreement or its subject matter. Customer hereby waives (1) the right to a jury trial in any and all proceedings, (2) any and all objections to venue and inconvenient forum in the state courts referred to in this section, and (3) any and all rights to remove any action to the United States District Courts.

16. AUTHORITY. Anyone signing for Customer represents that she or he is authorized by customer in the capacity indicated and is unequivocally authorized to bind customer to this agreement.

17. ADDITIONAL CHARGES. The following additional charges were not included in the original quoted prices and have been added to this Invoice where applicable:

- a. Repair of any customer-furnished parts, material or equipment found not otherwise suitable for its intended use.
- b. Rework or additions to customer furnished engineering.
- c. Fuel, oil, insurance and flight crews required for flight testing, certification and/or ground runs on an aircraft.
- d. Overtime required in order to complete the work on the schedule requested by Customer.
- e. Necessary replacement parts.
- f. Removal and reinstallation or modification of interior components.
- g. Redelivery Flights by 305 SKY LLC and related freight, transportation, insurance, taxes, imposts or other similar charges.
- h. Shipping and handling charges.
- i. Cores that were returned for credit that were rejected, charged additional fees for excessive damage, or for overhaul charges. Any replacement parts required in an exchange core overhaul which are not required as part of a normal overhaul.
- j. A consumable charge of up to 5% applied to all billed labor charges.

- k. A handling fee of up to 15% of the manufacturer's suggested retail price assessed on all parts that were supplied either by Customer or the warranty vendor if the parts were replaced under warranty.
- l. Additional certification costs to meet non-FAA compliance requirements billed on a time and material basis.
- m. Defueling charged on time and materials basis. Fuel removed may not be returned to the aircraft and discarded.
- n. All non-destructive testing (NDT) considered an outside service; quoted prices for tasks that required NDT were for access only.
- o. Any special tooling and/or equipment rentals required.

18. AVIONICS. Avionics work was subject to 305 SKY LLC's review of the aircraft's wiring diagrams, availability of adequate space and power on the aircraft, the aircraft's compatibility with the system installed and Customer's expectations and mission requirements. Customer was required to provide current avionics drawings, a photograph of the instrument panels and pedestal and an equipment list.

19. SYSTEM PRESERVATIONS. Aircraft, engines, APU, systems or component preservation are not included in the scope of work. Customers shall be responsible for making certain that all specific preservation tasks related to the aircraft, engines, APU, systems or components which are required or become required while the aircraft is in service.

20. AIRCRAFT STORAGE. Upon completion of work, Customers shall have a grace period of three (3) days for aircraft Redelivery, and any time after that will be subjected to local ramp or hangar fees. 305 SKY LLC will not be responsible for Customer's aircraft once the grace period expires. Aircraft storage fees will also apply to aircraft not in work or awaiting Customer approvals beyond three (3) days.

21. SUBSTITUTIONS. 305 SKY LLC reserved the right to incorporate changes deemed necessary by 305 SKY LLC to avoid delays or improve product control, performance, reliability, stability, utility, manufacture, or appearance of the work.

22. PMA PARTS, PRICING AND SHOP RATES. Parts pricing was subject to change by the OEM or supplier at the time of order. FAA PMA approved parts may have been used. Any parts or assemblies permanently removed from the aircraft as part of maintenance or modification events have become the property of 305 SKY LLC unless arrangements were made in advance to the contrary. Work was performed on a time and materials basis, unless a flat-rated basis for labor was specified. Pricing may or may not include an agency or finder's fee. Prices for inspections included flat-rated labor in accordance with the requirements in the manufacturer's inspection manual. Flat-rated labor is billed at the quoted rate regardless of the actual amount of labor required. Time and Materials items are billed based upon the actual materials, parts, labor, and outside services used. 305 SKY LLC has applied a minimum of 15% markup on all parts and outside vendor services.

23. PHOTOS AND VIDEOS. 305 SKY LLC reserves the right to use photos or videos that may include Customer's aircraft for print media, advertisements, online or in any marketing form that 305 SKY LLC chooses. 305 SKY LLC will not include any registration numbers or company names in the use of these photos or videos.

24. MISCELLANEOUS. No amendment of, or waiver of a right under, this Agreement will be binding unless it is in writing and signed by Customer and 305 SKY LLC. If a provision of this Agreement is unenforceable, this Agreement will be construed as if the unenforceable provision were omitted. Failure by a party to assert any right under this Agreement shall not be a waiver of such right and no waiver shall be implied from the acceptance of any payment or service. No written waiver of any right shall extend to any subsequent similar or dissimilar breach. In the event of a conflict between this Agreement and any other agreement between 305 SKY LLC and Customer, the terms of this Agreement shall prevail. The titles and subtitles given to Sections of the Agreement are for convenience only and shall not limit or restrict the context of the Section to which they relate. The provisions of these Agreements are for the benefit of the parties and not for the benefit of any other person.
